While we're sharing the awesome new resources at [Freecycle.org](http://Freecycle.org), we'd also like to thank Kat (da\_sweet\_kat) for volunteering earlier this fall to help us reorganize the modsquad files. She's been working long hours to put everything in it's place and create a guide for you to make use of it.

We hope this guide will be another great resource for Freecycle Moderators.

Part 1. The File Section

Excellent!

If she comes up with anything else that needs to be added to the online Mod Manual, have her drop me a line. I can't access Yahoo files during the day so that was a driving force behind establishing the mod manual in an online format... I'd love to add anything additional that can be used on a regular basis.

Thanks!
